FOAMEX 10™

**EFFECTIVE HIGH-GRADE SILICONE
ANTI-FOAMING AGENT**

A D D I T I V E

NET CONTENTS: 5 Litres 20 Litres

™ Trademark of Tapuae Partnership, NZ.

PLEASE READ ENTIRE LABEL BEFORE USE

CAUTION: The use of Foamex 10 can reduce entrapped air. Care should be taken not to overfill solution tank thereby causing overloading.

- = **Foamex 10** reduces or eliminates foam in most agricultural spray equipment.
- = **Foamex 10** controls foaming in emulsions, wettable powders and water based systems.
- = **Foamex 10** minimises entrapped air caused by mechanical agitation.

DIRECTIONS FOR USE

For best results add Foamex 10 to agitated liquid before foam starts to appear. However Foamex 10 may be added after foaming occurs to break foam.

USE RATES

The use of 10 - 30ml of Foamex 10 per 100 litres of liquid is generally sufficient to eliminate or suppress foam in most situations.

ACTIVE INGREDIENT: Contains 100g/litre Dimethylpolysiloxane as an emulsifiable concentrate.

FIRST AID: If swallowed DO NOT induce vomiting. For advice contact the National Poisons Centre 0800 POISON (0800 764 766) or a doctor immediately. If skin contact occurs, remove contaminated clothing and flush skin with running water for at least 15 minutes. If splashed in eyes, wash out immediately with water.

PERSONAL PROTECTION: Avoid contact with skin or inhalation of spray mist. Ensure adequate ventilation when handling concentrate. Wear eye protection when handling the concentrate. Gloves should be worn at all times. Wash thoroughly after use and before eating.

STORAGE: Store in original container, tightly closed, away from foodstuffs. When stored appropriately, this product should show no significant degradation for 2 years from the date of manufacture. Contact your supplier for further information about the use of any product that is older than this.

DISPOSAL: For containers of 20 litres or less, triple rinse container and add residue to spray tank. Burn in an appropriate incinerator, if circumstances such as wind direction permit. Otherwise crush or puncture and bury in a suitable landfill. Avoid contamination of any water supply or stream with product or empty container

MATERIAL SAFETY DATA SHEET: Additional information is listed in the MSDS available from Zelam Limited or www.zelam.com

NOTICE TO BUYER: The manufacturer and vendors of **Foamex 10™** warrant the formulation to contain the specified active ingredient within accepted tolerance but make no warranty of any kind on the uses of material and accept no responsibility, whether the material is used in accordance with the label directions or not.
