

# HIT THEM ONCE HIT THEM HARD

When it comes to controlling weeds around fence lines, driveways, buildings and around established trees – there are many products that will kill weeds. But there is only one that will kill them super fast and keep them down for up to 12 months. That product is TAG™ G2.

**It's innovative, effective and efficient. What else would you expect from a 100% Kiwi company?**

™ Trademark of Tapuae Partnership, NZ.

Tag™ G2 is registered pursuant to the ACVM act 1997, no.7734.

TAG™ G2 is the second generation of the hugely powerful knockdown residual herbicide TAG. The secret to the new generation is the addition of a 4th active ingredient – oxyfluorfen. The addition of oxyfluorfen means TAG™ G2 can deliver up to 35% quicker brownout on your hard to kill weeds.

TAG™ G2 - Kills Faster.
